Aqua Ohio LIHWAP Program

What is LIHWAP?

The Low Income Household Water Assistance Program (LIHWAP) is a NEW emergency water assistance program that was created by the federal government to help families that are experiencing hardship with their water bills.

LIHWAP will assist Ohio families who are behind on their drinking water and wastewater bills to ensure their service remains active and can also be used to

restore service that was previously disconnected. LIHWAP is a grant paid directly to Aqua for the customer's account.

Who is eligible for LIHWAP?

All Ohio-based residential customers are eligible to receive LIHWAP funds. Those with a household income at or below 175 percent of the federal poverty guidelines that are facing disconnection, have been disconnected or are not

in disconnect status with provider may apply for benefits. See below for a detailed breakdown of income guidelines.
